

HOLIDAY Homework

Hooray for Summer!

**School bags rest, the bell won't ring,
Summer's here—let the joy begin!**

**Waking late and staying up,
Lemonade in every cup!**

**Barefoot walks and games all day,
Chasing butterflies at play.**

**Grandma's tales and cousin fun,
Racing shadows in the sun!**

No homework, no rules—just cheer,

My favorite time of the year.

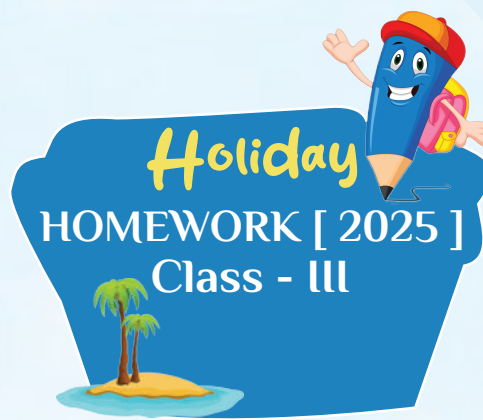

With every sunset, stars appear,

Summer magic feels so near.

So let us laugh and jump around,

While holidays and joy abound!

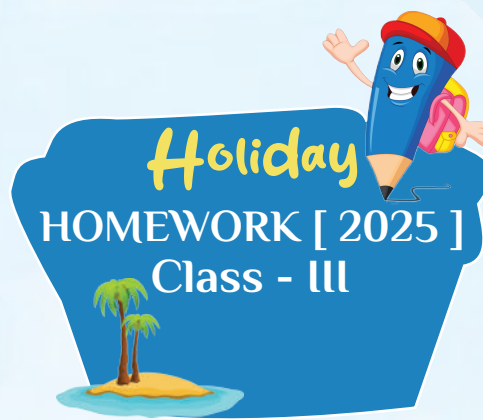

"Every sentence you
write in English
builds your future."

English

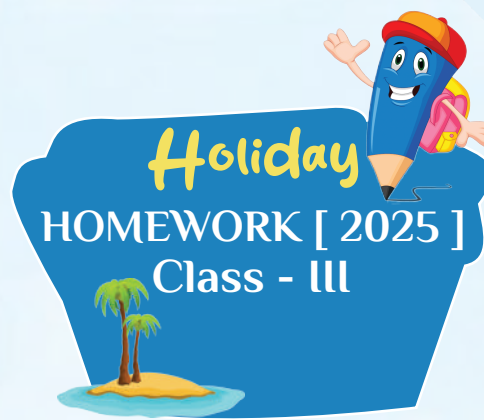

Let's turn your holidays into a magical adventure with words, colours, and creativity!

A Magical Day in My Life!

Your Task:

1. Imagine something magical happens to you — maybe you wake up in a candy world, talk to animals, find a flying bicycle, or discover a secret door in your cupboard! What happens next? Where do you go? , Who do you meet? ,How does your day end?
2. Write a magical story (10–12 sentences) using your imagination.
Begin with: “One morning, something strange happened...”

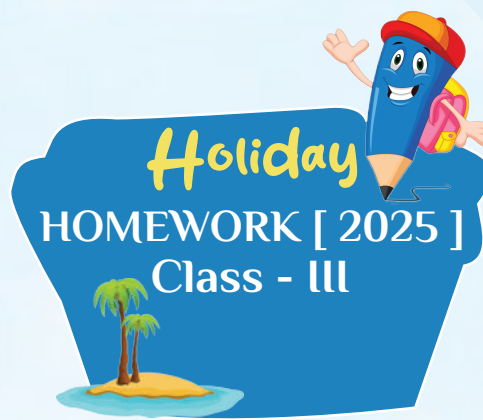

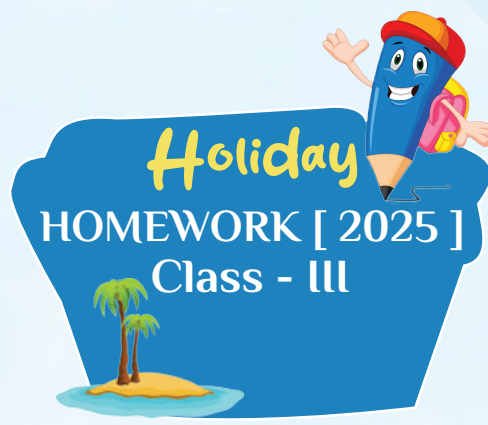

3. Highlight 5 interesting words in your story and write their meanings separately.
4. Draw a colourful scene from your magical adventure on an A4 sheet.
5. Bonus Challenge: Create your own magical character (give it a name, special power, and one fun fact about it). Use exciting describing words (adjectives) and action words (verbs).

Submission Tip

Neat handwriting, colourful drawing, and lots of imagination will make your work shine!

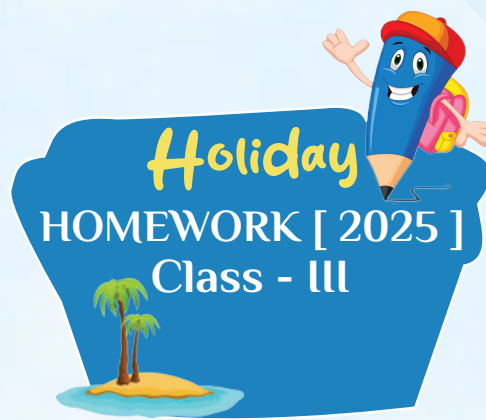

1. पांच पेज सुलेख लिखिए। (अलग कॉपी में)
2. सभी मात्राओं से बनने वाले दस-दस शब्द लिखिए (अलग कॉपी में)
3. अपने प्रिय कार्टून का चित्र बनाकर या चिपकाकर उसके बारे में पांच वाक्य लिखिए ।
(On A4 sheet)

Maths

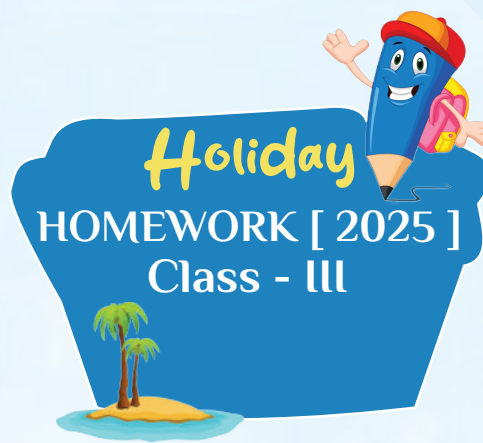

Riddle:

I am a number, round and neat,
No head, no tail, just a looped seat.

I come first in every race,
At the start, I take my place.

Can you guess, who am I?

Get ready to embark on this journey by following the given instructions:

1. 'A table mat made with love is a meal served with joy.'

Keeping this in mind, make a 'Times Table' mat (Tables from 2 to 12) on A3 sheet with your own creativity, get it laminated and let's have our meal with cleanliness. (Given below is the image for reference).

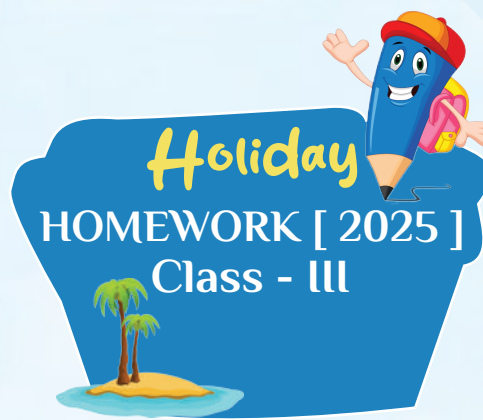

2. Make a wall hanging using basic geometrical shapes (Given below is the image for reference).

3. Make a POSTER of any one famous Indian mathematician using newspaper cuttings, images, slogans, quotes etc. on a A3 sheet.

Dear Children

Our history is a reflection of our rich cultural heritage. Cultural heritage is the legacy of cultural resources and intangible attributes of a group or society that is inherited from past generations.

Heritage includes:
Monuments
Buildings
Landscapes
Books
Folklore
Biodiversity

"Our culture reflects in us and is our identity & we need to preserve it for the next generation".

Keeping this in mind we're excited to assign a creative project that showcases India's rich cultural heritage. Based on your roll number, **create a model** of a famous monument from a specific state.

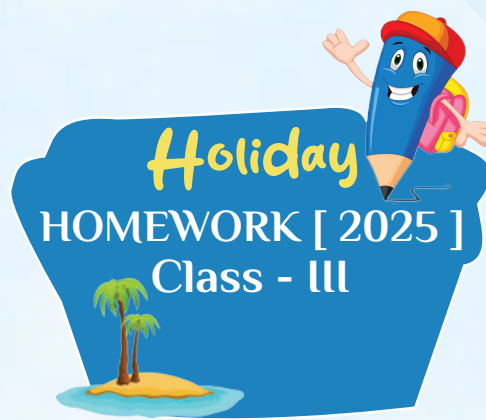

Roll no.

1-6.
7-12.
13-18.
19-24.
25-30.

States
